

BALTIMORE DISTRICT 2010

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG®

Mission

A GREAT engineering force of highly skilled and dedicated professionals working with diverse partners through disciplined thought and action to deliver innovative and sustainable solutions to the Nation's engineering challenges. The Baltimore District operates corporately to deliver effective solutions to engineering challenges consistent with Army values and commitment to environmental stewardship

Staff

1,275 civilian employees, 16 active military personnel

Region

15 military installations in Pennsylvania, West Virginia, Maryland, the District of Columbia and northern Virginia; watersheds encompassing nearly 49,000 square miles, from southern New York to northern Virginia and from West Virginia to the Atlantic coast, including the Potomac and Susquehanna Rivers, and Chesapeake Bay north of the Maryland-Virginia line; 7,000 miles of the Chesapeake Bay's environmentally sensitive shoreline; and the nation's capital

Locations

49 field offices; headquarters at the City Crescent Building, 10 South Howard St., Baltimore, Md.

Elected officials

12 U.S. Senators; 46 U.S. Representatives; six governors; numerous state legislators; the mayors of Baltimore, Frederick and Ocean City, Md., the District of Columbia, Harrisburg, Scranton and Wilkes-Barre, Pa., and many smaller cities and towns; and numerous county executives and commissioners
